Welcome

A big welcome back to Stompers. We welcome lots of new children and their families.

We know how daunting starting pre school can be and we are here to help so please do let us know if we can help in any way.

Medical Conditions and Allergies

If your child has any allergies or medical conditions, please ensure you make staff aware. Each child with medical needs or allergies require a care plan. This involves you sitting with Karen or Beccy and answering a few questions. We do require medical confirmation of any conditions. Any prescribed medication needing to be administered at Stompers needs to have the prescription label attached.

Things to know

- ✓ Please remember to provide a bag, spare clothes & nappies/wipes if needed to be kept on your child's peg
- ✓ Each child will have a named drawer to put any pieces of art work they do or show & tell items so please check this regularly
- ✓ In the foyer each child will have a SWAT file – this is where invoices or important letters are put so, again, please check regularly
- ✓ Can we ask for all clothes to be labelled with their name. We do suggest not coming to pre school in new or favourite clothes!
- ✓ We have Show & Tell on Tuesday and Thursdays. This is a group activity when the children can bring in an item from home to tell their friends about or share some news
- ✓ We do have an 'open door policy' so please do speak to your child's key person if you have any concerns or queries. We hold parent consultations twice a year where we share your child's development with you but you can ask to speak to your key person whenever you need to.
- ✓ Please do register on Tapestry – our online learning journals. This is where observations and photographs are uploaded for you to see. You can add any achievements they do at home too. It is very interactive. Can we ask for all our new children to complete the All About Me section as soon as possible if not yet done.
- ✓ We have an active facebook page, please like us at <https://www.facebook.com/stondonstompers>

We also have a Super Star board – this is where we display the children's achievements so if you think your child deserves a super star let Emma know!

Us

Over the next few weeks we will be settling the new children into Stompers life and exploring the toys and areas we have.

We will then move on to learning about ourselves, our families and those around us.
