## Get better soon.....

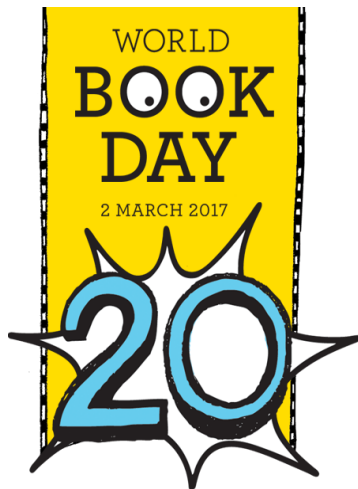

Sending lots of love and well wishes to Beccy as she recovers from a foot operation.

Beccy hopes to be back at Stompers after half term – fit and well and raring to go!

We have sent some flowers from all of us at Stompers – Staff, Committee and Parents and of course the children.

Update from Derwent Lower School - The Governing Body has formally ratified the change in age from 4 to 9 years to 3 to 9 years. This will take effect from the 1st January 2017 and we will be opening the pre-school provision from September 2017 for 26

### World Book Day

3<sup>rd</sup> March

*We will be joining in with World book day again this year.*

*More details will follow and it will involve some parent participation!*

### Toys from home

**A gentle reminder to please refrain from allowing your child to bring toys in from home. It can cause much upset when items go missing and staff cannot take responsibility for looking after the items.**

**Show & Tell is on Tuesdays and Thursdays – these are the only days toys can be brought into Stompers to be shown to the group and tell us about them. These should be kept in their drawer until group time.**

**Thank you for your co operation.**

## New Toys and Resources

Stompers have been very lucky to be able to release some funds in order to purchase some new toys, resources and equipment.

So far we have -

- 6 port multi listener CD player
- A selection of new construction sets
- Giant foam Lego building blocks
- A new art trolley
- Safety mats to use with our climbing frame

We still have some money available to spend and, as a team, we will decide which items to prioritise. Our wish list includes a new climbing frame, an art easel, a road safety set and traffic lights

The time is coming for Love, Friendship and yummy treats!!

With Valentines day fast approaching we will be talking about feelings and important people in our lives. We will also be making lots of 'lovely' crafts and edible goodies!
