

Stondon Stompers

Children at the heart of all we do

Living Eggs

Thanks to your fabulous fundraising last term, we will be bringing the wonder and education of hatching chicks to Stompers this term. The children will get to incubate and watch the eggs hatch over a 10 day period. Not only will they experience life cycles and growth and development, the programme encourages social interaction and promotes caring and nurturing skills. Like and follow our facebook page to watch their progress for yourself.

Tempest photos

We have arranged for Sarah from Tempest Photography to come in to Stompers to take individual and sibling photographs on Tuesday 10th March between 8.30am and 10.30am. For those who normally attend on a Tuesday morning, they will be included in the session. If your child does not attend on a Tuesday, please sign up for a slot on the time sheet which will be on the whiteboard in the foyer nearer the time.

As spring is almost upon us we have been discussing with the children what we might plant in our Kitchen Garden. Over the coming weeks the children will be planting carrots, peppers, tomatoes, potatoes and beetroot. As always, we would welcome your involvement, just speak to Kim if you are able to help.

Diary dates

Open Days

3rd & 5th March

World Book Day

Thu 5th March
(parents and grandparents are invited to join us to read with the children, details to follow)

Individual/ sibling photographs

Tue 10th March

Mothers Day Celebrations

W/C 10th March
(details to follow)

Living Eggs arrive

Mon 23rd March

Last day of term
Fri 3rd April

Summer term starts

Mon 20th April

Do you have a skill, talent or occupation that you can share with us? Maybe you play a musical instrument or have an exotic pet? Does your family have a special celebration or custom that you can tell us about? Your involvement will have a huge impact on our children's understanding of the world. If you can spare half an hour to share a subject close to your heart with the children, please let us know.

新年快樂
Happy Chinese New Year

Reminders

Could you please make sure your child has plenty of spare clothes and underwear in their bag as we are running low on most items, especially socks!

Could we please also remind you to make sure all your children's belongings, including their lunch boxes are named.

A gentle reminder to be respectful to our neighbours, and more importantly, to keep children safe when parking around the school and village hall. We appreciate that spaces are very limited at the hall, but there is a large car park a few minutes walk away at the recreation park.

Stompers recognises the importance of good communication with parents and carers, and we have an 'open door' policy; please do not hesitate to speak to a member of staff if you have any concerns or issues that you would like to discuss. We appreciate that drop-off and pickup are usually very busy times of the day but we will always do our best to arrange a time that is convenient should you need it, whether this is for a quick chat or a more formal meeting.
